A photograph of a winter forest. In the foreground, a large, dark brown tree trunk with rough bark is visible on the left. The ground is covered in a thick layer of white snow, with some small evergreen trees and branches poking through. In the background, many tall, thin evergreen trees are covered in snow, creating a dense, white forest. The sky is not visible, and the overall atmosphere is quiet and serene.

If your *home* is a castle...

Turn your home into a fairy tale castle

- therefore no one has better materials as PONGS®.

And if your home is by chance already a castle

- like in our example here in Pausa-Mühltröf/Saxony,
the home location of PONGS® Technical Textiles

- you are miraculous again

in the best hands with PONGS®.

Curtains, cushions, tablecloths, table runners, wall
panels, blinds and window shades, nothing is more
attractive in decoration than to preserve historic
architecture therefore by bringing the design into
cosy contemporary.

Machen Sie sich Ihr zu Hause zum Märchenschloss

- keiner hat bessere Stoffe dafür als PONGS®.

Sollte Ihr zu Hause tatsächlich, wie hier in
Pausa-Mühltröf/Sachsen dem Heimatstandort
der PONGS® Technical Textiles, schon ein Schloss
sein - sind Sie natürlich umso märchenhafter
bei PONGS® in den allerbesten Händen.

Vorhänge, Kissen, Tischdecken, Tischläufer, Panels,
Blick- und Sonnenschutz, nichts ist reizvoller
als bei der Dekoration das Stilvolle zu bewahren
und dabei die Gestaltung ins wohnlich designte
Jetzt zu holen.
