

PONGS[®]

touching the limits of technology and design

GLOBAL PLAYER *Made in Germany*

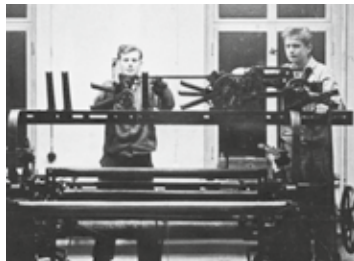

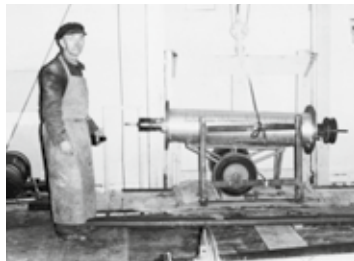

PONGS® *is the leading manufacturer of technical textiles,
a world market leader in the field of textile print media
and an essential address for broad woven fabrics,
textile wall and ceiling systems, visual merchandising,
store design, booth construction and decoration.*

*In over 100 years we have built up a wealth of experience in dealing with textiles. We combine traditional handcrafts with high-tech. Our employees have shaped the company. Their product developments, their creativity, expertise and passion have made **PONGS®** into an internationally recognized company for textile products.*
