Indoor Air Comfort Gold® - Play it safe with PONGS®

DESCOR® PREMIUM by PONGS® has been awarded the "Indoor Air Comfort Gold®" (IAC Gold®) label. For the variants white and natural white we have successfully completed the internationally recognized product certification of the laboratory group Eurofins. This confirms that DESCOR® PREMIUM is one of the world's lowest emissions building products, contributing to the best indoor air quality. Because only a healthy indoor climate meets our own high standards of exceptionally good quality "Made in Germany".

You would like to know more about the IAC Gold® certification or are interested in DESCOR® PREMIUM? Please contact us.

Request your free product samples here or order sample rolls for your own tests.
